NORTH LONDON

We have been sourcing and supplying luxury outdoor furniture, accessories and shade systems to designers and their clients around the world for over 20 years.

Gardens, terraces, spas and motor yachts are testament to our design understanding, technical knowledge and supply expertise.

*The rich and glossy reflective surface of Sciara tiles  
bring elegance to the dining experience*

*Sciara table  
Ami dining chairs  
Taiki lanterns*

*Your garden isn't simply  
an extension to your house,  
it is a part of your home.*

# *what we do*

We combine the essential with the desirable. Bringing together furniture, textiles and accessories, we accomplish outside what an interior designer does inside.

Working with you from the outset to ensure that your outdoor spaces really do reflect your wishes and your lifestyle.
